I hate being tall. I would much rather be 4' something.

I'd consider you borderline short...wtf is wrong with you?

That's around 6 foot, which isn't all that short... not tall, but not short.

That's exactly 5'10...anything below that will have guys poking fun at your height.

Whoops, I math'd wrong. Anyways, that's still medium height, although it depends where you are, too. But for most US standards, that's fine.
