I use 2 bots in my channel cloudyserv and a normal irc bot for some extra commands and I was wondering if there is any way I could edit it so that the second bot can say certain things that resurrection puts on the fds so that it aint one bot doing all the work and so that it only shows what i want it to show.

Thanks in advance for any help you can give

or this: http://www.renegadeforums.com/index.php?t=msg&goto=267067&rid=24536&srch=mirc_ren.dll#msg_267067

the attachment is linked here:

Should hopefully be all you need,

(I Personally don't use it, so good luck) ;D
