I don't mean to be rude but...

1) Who the hell are you?

2) What the hell is "SS free" (and associates...)

3) Ok, I googled "SS free". You have 30+ forums (not even counting subforums) and 12 registered members. There are 11 people who are going to directly notice your absence, all of whom could be reached via that forum. (If they can find the appropriate topic!)

Just a friendly note.
