Do you follow football properly or only during the World Cup? You appear to lack any understanding of the game.

James was England's best player today, if it wasn't for him it could well have been 5-1, 6-1 or even 7-1. Should have done better for Mullers first however. Neuer flapped about many of times and made a few decent saves, he was lucky today. But definitely the worse of the two.

England lost today because of the awful defence coupled with the fact they can't play as a team. As individual players for their clubs, they're great.

Hypnos, your bitterness is cringeworthy.
