22:55Guns = gun control
gun control = over gun control
over gun control = protests over not enough gun control and ban of guns
ban of guns = CRIME
CRIME = Event.ini not found
then the government will step in and do something stupid... or in a lucky event something that will
save everyone

I have realized my mistake and fixed accordingly

Still retarded. Why does gun control = over-control? Why would people be protesting about not
enough gun control if there's supposedly too much? Why would a ban of guns lead to CRIME in
capital letters, when criminals would be set at the exact same weapons footing as honest
citizens? Because you're a fucking idiot.

And every time someone says "the government" as if they're some kind of far off foreign entity that
you have no ties to or influence over, a baby sheds a tear somewhere. Stop making babies cry.
