Although this is not for renegade, i felt like spreading the word
anyway. Anyone who likes Renegade will probably like APB too and
Coop if you like to play that too.

Download Coop Mappack

Dont know how to install maps? Watch the Video Tutorial:
Hi-Res (1680x1050) | Low-Res (720x480)

This mappack contains all 13 available Coop Maps for APB Nuclear Winter.

Have fun!

For server owners:
You need to update your server scripts.dll if you want to host some of the newer maps available in
this package. Download it here: SSAPB 2.107 BETA
