Spoony wrote on Fri, 06 May 2011 06:20 several wives actually, some of whose fates are unknown, and at least one of whom was his cousin and was married off to him without her consent.

given that he's directly and intentionally responsible for the deaths of an innumerable tally of innocent people, i quite like it when people like that die

So is george GW bush. More innocent civilians were killed in afghanistan and iraq, than at the WTC attacks.
