Beta map release

When talking to Jonwil about a DM he wanted i decided to make it
My first ever map for renegade lol

It is a small DM map featuring the SP building Hand of Nod.
It has dozens of weapon spawners and health powerups.
No PT's are available. No buildings. ONE buggy.
GDI players spawn as a "MP" guy :V

Big thanks to Gen_Blacky for helping texturing the map and testing
the map out, and Khold, slaro and Smith.
