Walrus! don't think a game like this would solve anything, I have played a few 1v1 and its always the same, defence map, who can kill the harv and get an apc first, non defence is a one run hottie and tech race, it always seemed a bit pointles.

ermmm, sorry I am over here in England were fire arms are some what prohibbited. What is an SKS ans why wouldnt the amunition fit?

Yeah i hate 1 on 1 games they're not hecktic enough and there's no 0wning anybody or massive counter attacks. I mean there's nothing better than when there are hotwires repairing one med and you try to take it on yourself then 2 stanks and a raveshaw come in to help and you wipe out that annoying Hotwire and pesky tank friend
