Walruthank you for the information kirby.

No problem.

More good info here:

[http://www.canadianshooter.net/spot\\_sks.html](http://www.canadianshooter.net/spot_sks.html)

It's a nice all around rifle, and shoots well. The chrome plated barrel keeps it from rusting solid if in the field, and it jams less than the M-16, but then again the 16 is automatic. No comparison. Ack will have to speak on that, as I have no experience with them.
