is his dick tickling the back of your throat kind sir

.....

I love how some have said he has been doing this from 2002 on and off and up until the jelly attack and the truth thread most of you guys defend wilo and take sides with him .

the mass hate against me at one point shows this to be true as loads of you banned me on his say so.?

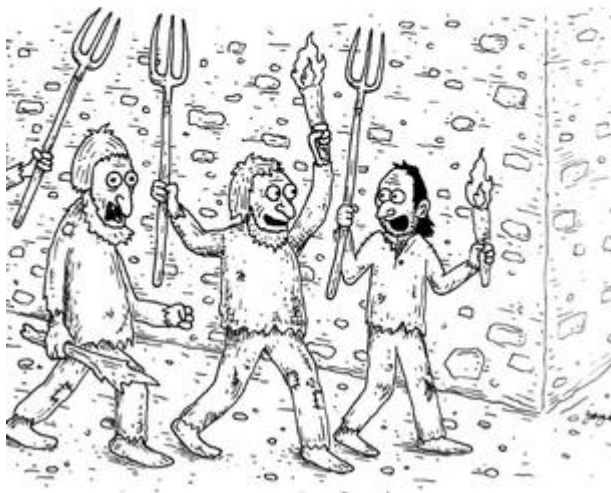

I think we can all say you all have had a bit of wilo milk in you throats hows it taste.
