It's because he doesn't give a shit. I'm guessing that's hard for you to comprehend, because if you knew how to not give a shit you wouldn't be here making yourself look like a fucking retard with each successive post.

I know Whitetrash put you up to it because he's on TeamSpeak with that long drawl going "Y'all best be postin' for me now, because I can't do this all muhself huyk huyk!" That doesn't mean you need to degrade yourself for his sake. You're already a tester, you sniffed enough ass to make that happen. Don't continue on the course you're on, because you're clearly wrong to anyone who has even a tenuous grasp of the language I'm writing in.
