Garrus wrote on Fri, 08 June 2012 22:18 If he doesn't give a shit why the hell did he post? If you are talking about Wally not giving a shit well that just happens you. Perhaps you should get a new day job.

Didn't EA give rights to the Reborn team?

He doesn't give a shit about grammar, as explained several times. I believe this image sums up what everyone but Whitetrash and yourself are thinking about you.

Renardin took it? You'll forgive me for not knowing who made it, when it was made, etc. The fact that you aren't taking it out or replacing it is worse than the art theft itself - keep shifting blame!
