This all sounds pretty ridiculous, like made up ridiculous.

Very much like your logic. Hey, I'm sorry to break the news to you, but not everyone can be like you: Fat, lazy, and shut-in downstairs. The more you post, the more you get trolled. Let's see if you can make a thousand posts in this thread before you get it.

Also, you should really post some pictures of yourself here. I'm sure we'd all love to see the face behind the Super Metroid avatar, assuming you shaved the neck beard off and lost some weight.

In the sake of conversation, I don't fap to rule 34 ponies and i think it's really weird.

However, I don't give a shit if other people do

However even more, I do give a shit (very little amount tho) if people very constantly make memes and stuff about how people shouldn't fap to rule 34 on mylittlebrony.com

I mean, if it isn't directly affecting you, then why the fuck would you care?

So why are you here, anyhow? This thread about WhitETrashYWooD doesn't affect you. You should scurry over back to that place and take another year to make a blurry tank texture.

This thread is about The Avengers, what are you doing here talking about your obsession Wallywood? If you can be a shameless asshole, then so can everyone else.

Is that corner you lied and "trolled" your way into warm and cozy? It seems you are going to be there for a while.

There doesn't seem an easy way out now, so I guess you are going to revert to throwing insults around, and fabricating posts. But hey, if we are going to go there, shouldn't you be out doing something with your daughter? I mean, I am home studying for my last Calculus test, what's your excuse?

If my logic is so ridiculous why aren't you trying to crush it, like you "thrashed" the others?

Now really, why not try answering the questions about your answer? They seemed pretty legitimate to me.

Also I am not really the one being trolled here. But you keep saying that to help you keep posting here, because I am finding this absolutely hilarious.
