Your shitty attitudes do a good job of that, meatspin is just the embodiment of everything that is wrong with the two teams over there. It's a shame those AR people got sucked into that shithole, since they're genuinely nice fellows.

//Shitty attitudes, meatspin

I don't know about this, but hear me out. You seem slightly biased in those remarks. Are you slightly upset about something?

And this coming from the "Shameless Asshole" is pretty hilarious.

Stay mad.

As they say, it takes one to know one. If anyone is qualified to call you and your team assholes, I am. If you were wondering why barely anyone plays APB, look no further than yourselves. If you're wondering why your forum devolved into endless "mafia" spam and a focus on "minecraft", look no further than yourselves. You have created an environment that punishes participation and rewards cronyism.

/The term you're looking for is "tea partier"

//I am slightly left of center
