That's what I did when I watched that 600MB Half-Life 2 movie.

Nice F.A.Q. by the way.

:crazy: keep away from me O_o

What? It's perfectly natural for that to happen when you see something as beautiful as a 600mb Half-Life 2 movie. Isn't it?

Am I a freak? :crazy:

Someone has to be as excited as me about HL 2.
