No he used his computer, just super advanced graphics shaders!!!!11!!

Also, looks like google forgot how to count:

There should be at least one for Iran's previous click I'd think.

The image shows a YouTube video player interface. At the top, the video title is "renegade antics". Below the title are buttons for "Saxofoonreed", "Subscribe", and "71 videos". The video player itself shows a first-person perspective of a game character in a dark environment. The character is holding a green weapon. In the background, there are some structures and a red enemy character. The video player controls at the bottom show a progress bar at 0:08 / 4:08, and buttons for "Like", "Add to", "Share", and "0 views". A red box highlights the "0 views" button.
