Nurple wrote on Sat, 15 September 2012 17:36you should ban the noob permenently renegade is much better off without his kind

good call

ohhh what would I do without renegade ?

note the fact I go out of my way to piss people off mods/admins or players regardless of what the out come would or could be . so you think a ban would worry me ?

yeah admins ban MDK for upsetting nurple and making him cry
