ehhh wrote on Tue, 18 September 2012 10:20until you got banned! (I think you were)

Numbers differ all the time, especially jelly mara and rc

I was actually, but it got removed shortly after lol.

The only place that I'm banned from is Jelly and that doesn't bother me in the slightest. I genuinely dislike marathon servers, I just don't have the patience to play 1 map for 4hours. I get on well with most of the guys over there and there's no hard feelings.

raven's a ho.
