oh that one again ..yeah sure dj I will give my address to some retarded german who wants to travel to england to kill a gamer who upsett him ..hmm I seen this story

<http://www.telegraph.co.uk/news/3080737/War-games-fanatic-Matthew-Pyke-killed-by-gamer-from-Germany-police-think.html>

tbh muckyteeth if I was single and alone like you I would have no problem with that at all and would take great plesure in help you remove those rotten brown teeth from you mouth ... but I have a wife and kids . so to share my address over the net would be wrong even if it did make me happy.

you could always breath in to a envelope and post it to me that would be a sure killer..the breath of death.. ?
