so was many others ..

being around this game for so long an with a good memmory. it is crazy to look around now and see that most guys who have been done for cheats are now infact..mod.s admins or owners of servers .

wonder if anyone will catch mikey as it is clear he is also useing the  -[HOH]- cheat pack and anyone notice the new memmber  -[HOH]-leon ?? one day average player the next a clan member who only snipes and get loads of hs ?
