Last I heard, Sarah was with Julian (ICEMAN77).

Was going to say the something lmao!

In any case, hopefully not too many leave ren because of this. The player count in renegade is already sad as it is.

Haha yeah. You and I know better than most that when splits in communities occur that people leave. I admire the irony that we're agreeing now and not when Atomix was alive. Funny how times change.

Ani, you own RenCorner.NET not RenCorner as a whole, reminds me of Storm.

You might as well sell the domain, you've lost the war, sign the peace treaty. You'll forever be remembered as the owner and founder of the community. Might as well relish in that fact and move on.
