Good call, sometimes i talk more than i.. walk?, I didn't mean I watch youtube videos all the time or anything I was refering to how i came to the conclusions.. should say Internet in general

The point is i shouldn't of posted out of defensiveness, things should be done out of love and if something happens we'll cross that bridge when we come to it =)

Thank you for putting me back in my place Aircraft

EDIT:Back on topic.. Question.. Obama VS Putin, what are your opinions on these two? I was just watching some more youtube videos(haha) it's a question that I am curious to ask here
