iRANian wrote on Mon, 20 January 2014 13:08 Those C&C3 crystals make me cringe hard whenever I see them. The Tiberium fields on the Walls 'reimagination' have them and I wonder how the fuck a Harvester is supposed to harvest them.

I've not seen the ones in RenX, but as a general point... I don't believe Tiberium is required to grow in Harvester friendly shapes... it's not as if its a manmade resource.
