LAeubiI think the client need the scripts too, becase Ren Crash sometimes, if they are not installed.
A good installer for the scripts can be found here:
http://www.renevo.com/downloads/sp1_0_1.zip

Oh ty, ty, ty I just formated my PC and I could't find these anywhere you saved me a lot of searching and posting I may put this link in my sig but my sig is getting a little big anyways.
