I am very aware of how forums work. I don't remember saying that you deleted Carl's' post either. Now you're just jumping to conclusions.

How about replying to 'the other part' of his post too?

If you're part of RenEvo, why don't you support it? Why do you Flame people that do support it?

I've not seen a single word in ACK's post saying: "use WOL instead," or to that effect.
