My deepest condolences Jon...

I know its next to impossible to grasp a loss like this, I never met Lynne, but I'm sure that she had to be one in a million... I know that this is a perfect way to simply blow a person to bits, and throw them into a pit of depression, don't go there Jon, mourn, but don't give up in life...

God bless you Jon, he's there all the time, even when you hate him, or if you don't believe in him, he's there and willing to help you through this.
