Thanks to Cypher and Zerk of PlanetCNC (<http://www.planetcnc.com>), these files are also available on FilePlanet:

[http://www.fileplanet.com/dl.aspx?/planetcnc/renegade/maps/fixed\\_westwood\\_maps.rar](http://www.fileplanet.com/dl.aspx?/planetcnc/renegade/maps/fixed_westwood_maps.rar)

Might be faster than downloading from me. :\
