HomeyThats nothing special at all. My kill record is 154 kills 7 deaths in 30min and for points 15500 in 30min.

ok i would love to see the screenshot of the record cause i cant believe that im sorry unless you were playing a game with like 40 people in it who were ALL noobs and only infantry and you just sat somewhere and shot them like a noob. but hey if you got the screenshot please post it so that you can prove me wrong.   gotta go........snipe ya all later
