CrimsonHalo38CrimsonBah! Leave Epyon alone. He's one of my IRC chat members.

:rolleyes: why tell me to leave him alone when he started on me
don't i have a right to defend myself when attacked by a stranger

Surley just because he is one of your IRC chat members (which i would be if i had a direct connection to my room) it doesn't give him the right to pick on anyone and be in the 'right' of the eyes of a moderator.

I sure hope i have the wrong end of the stick? arn't moderators supposed to be unbiased. :rolleyes:

And even though I run the forums, am I not allowed to have fun and have friends? It's not like I said "leave him alone or I ban you". Lighten up.

Point taken.

I was a little tired yesterday and he just pushed me over the edge. from now on anyone who annoys me is just going to get one of these :rolleyes: or maybe one of these
