Subject: scripts.dll 1.4...
Posted by General Havoc on Thu, 29 Jan 2004 10:12:00 GMT

Idea. With C&C Reborn, the scripts display the number of MK2's and cyborgs in the top right corner of the screen.

Would it be possible to display the amount of GDI/Nod kills for the Team DM mode? Could make an useful addition to 1.4 if it isn't too hard to do.
