JavacxFor the sake of argument; Put your money where your mouth is. Prove it.

Did you watch the news the day Saddam was captured? The media [this doesn't count FOX news, because I DO NOT watch FOX news] was randomly flashing pictures of the 9/11 terrorists along with their coverage of Saddam being captured without explaining why they were doing it. Moving on, it's rather difficult to prove something that hasn't been proven, like Iraq being involved with the 9/11 terrorist bombings.

But congratulations! Java, you've gone 3 entire posts on this thread without comparing anything Canadian to anything else.
