LaeubiSir PhoenixxLaeubil can help you too, I have skills at PHP, HTML, basic of Java.

He said good English skills were required also.

I'm not perfekt, thats right but good not means perfekt.

I didn't say perfect, I said good. I could have said crappy-but-better-than-nothing English, and your English still wouldn't meet that requirement.

(btw: perfect | that's | does not | mean)
