Nightma14DethdeathNightma14it dousnt let you in but i personally would perfer it if it disables it and enables it when you leave that way you can go in and out of every server freely with out havin to go and remove/add skins in Yeah, but that means more work for the Renguard team, which means more waiting :rolleyes:

im sure that feature would take less than a day :rolleyes:Yeah and so on and on..every feature takes a day...and when you add them all together it takes weeks.

Couple of days more, couple of weeks more, who cares eh? :rolleyes:
atleast we know its gonna be there in the end
