Majiin Vegetaquite a lame tactic.. your wasting 1 tank when you could just sit your ass in there as a MOBUIS!

Majiin ur right about the waste of a tank but with a mobius instead?!?! comon now i can kill a mobius with a soldier, mobius is a waste of money and energy, although ya they work good against noobs they get killed way too quik with people that know how to aim   but hey its koo w/e u play best with i guess   gotta go............ snipe ya all later   :twisted:
