Aircraftkiller: I wouldn't stab anyone unless it were in self-defense. Nor would I physically attack anyone unless they posed a threat to my well-being.

Aircraftkiller: I'd actually kill you

Aircraftkiller: Just put a knife into that nice little artery on the side of your throat and rip it upward towards your face, severing any vital connections between your brain and your spine

Aircraftkiller: Though I'd feel sorry that I had to do that to anyone.

Aircraftkiller: Enjoy the mental imagery, I'm sure you'll find a way to use it somewhere.
