But is it even possible if the other team has more than 3 collective brain cells? No intelligent person would let you sit there for 10 minutes plinking away with your pistol...wait, on second thought, they'd let you get 99% done then kill you and laugh. :rolleyes:

None of the free characters can take out a building alone. The Tech/Hotwire is the only character, in fact, that can do it in less than 35 seconds; anything else takes much longer.
