Aircraftkiller So you loved the non-existent foliage to hide behind, or the lack of trees, or the fact that "snipers" owned everything including the still-underpowered helicopter units?

I'm sure that was great, make it even easier for them to get assloads of points from doing nothing to tanks.

Exactly. But what I really loved was jumping around on the recon bikes. Plus, look at screen two; I can count about 20-25 good places to find cover.
