j\_ball430I called you a moron because you were acting like one. If that's all it takes for you to be set off, then that's just pathetic.

Again, the respected members of these forums say new FDS Serials are still available, so I tend to agree with them. You just start in because I called you a moron.

Edit: I would love to continue this tonight, but I should have been in bed 3 hours ago. I need my rest. I hope to continue this later.

I'm sure you have a need to argue, flame, debate, whatever. I'd settle for some tolerance and acceptance of other opinions. Think about that instead of continuing this pointless thread and that pointless "organization".
