ok i think i've read it somewhere but don't seem to find it anymore... and i forgot how to do it, when i get into a pure server it sayd to me |jager852| you need Renguard to play on this server, i know this is a probleme wich comes by alot but i have renguard and i never had any problemes and but since i made my name from jager852 --> Jager852 also no problemes but Jager852 --> jager852 and now it gives that probleme...

how can i fix it... o btw i reinstalled renguard and i restarted renguard also so that ain't the probleme.
