I found the name "Cram son" offensive, so I used the word censoring capabilities of phpBB to change it to a less offensive word or phrase.

I fail to see how "Deleted" under your nick is an abuse of power. It doesn't even insult you.

I didn't disclose your IP, merely that it matched someone else. Not an abuse.

And I think Kerry is an assrammer... how does that constitute abuse of power? It's POWER that I have \$9 to register a domain with GoDaddy?? C'mon... that's not even related to the forums.

And disabling your PMs was fun. I should have banned you long ago. You have 4 other accounts you can send PMs from anyway.
