MagmagicRenguard if update from 1.0 is fine. If you download 1.1 from Renguard.com it does not work. it will install but when you start it up
it disappear and does nothing. Has anyone been able to get on Westwood server today since updateing I haven't been able to log in!

tankk135y have already installed ren guard right

Can you come to our support IRC channel please? We need someone with this bug as a testcase to solve it.. Thanks.
