Basically Carl it is like this. This is fact. It takes about 6 years for the economy to reflect a previous presidency. Clinton was riding on what Big "B" had done. Most of the positive aspects of the economy from the Clinton era was the result of Desert Storm. The war created jobs and revenue. Thus a strong economy. Think about it. The "Roaring 20's" was a result of WWI. The "Baby Boom" was a result of WWII. Even during Korea and Vietnam the economy was strong. Your claim to have made money at the end of Clintons Rule I can't dispute, but since I know what was
