Subject: Imageupload / Fileupload for your FTP/Website(update)
Posted by Dante on Sat, 22 Mar 2003 06:40:53 GMT

You want an easy way to upload screenshots/files to your webspace without conecting every time to your FTP?
 You want to upload files/images to your space from everywhere in the world??

sure... use n00bstories.com or modx.renevo.com
