Trey was a very close friend of mine. He was always there when I needed someone to talk to. I miss him terribly and will never cease to miss him. However I also remember the many good times I had playing alongside him in DOM and just generally talking about this and that. He was a great man. I will never forget him.

R.I.P. Trey. May we always remember all you did for this community and just in general.

/me raises a glass in Trey's honor and memory!
