SEAL12 instances of the word "skin" or "skins".

Why don't you go enlighten our dear friend Lion? I'm sure he'd LOVE to hear your skin/texture bullshit.

I'm sure Lion, a good friend of mine for many years, knows that's what it is called. He's just used to saying it that way and probably won't change.

Unlike you, he doesn't troll forums or be an ass.
