No he should not be banned for calling RG bullshit or for any other opinion he may have. He should be banned for cheating or attempting to bypass the RG network and other similar things.

You start banning people for not liking them and Renegade really will die.

xXxsorry taht would be the original words that i must read there . If u cant say nothing about it please shut up i dont ask u Kutterleckers

you never said who you was Asking and you posted in a public forum which is open for discussion..

and crimson says your not banned.. so.. you are lying..

:rolleyes:
