After some time, i have finally negotiated a trade between the domains to stop all this crap that has been happening with the forwarding as of late.

CURRENTLY:

l3fth4nd3d owns RenAlert.com, RenAlert.org, and RenAlert.net

and as soon as Renardin comes online, he will own CNCReborn.com

This is overwith.

NOW, i would like to clarify one thing.

Bryan from NOVA had 0 to do with this crap that was happening, and nothing else needs to be said about that.
