http://www.trielite.net

Not really that I even try anymore, I'm trying to start a community, not a clan.

 Eh? I was recommending my clan to him... Not looking for a war. Maybe I misunderstood your post.

I will advertise there though, good idea   I'm new to WOL I've been a GSA gamer forever

Although advertising you want to join a clan is one method, my advise would be just play in a lot of different clan servers, find one you like and let them ask you based on your play. gg.
