I'll be registered on these forums for two years tomorrow.

Plus the half a year of being on the original Westwood/EA owned forums.

Coincidentally, I'm the 13th registered member on both the RenAlert forums and these...

ACK wouldnt be so bad if you showed a little love. He like a bear, in the right conditions a good friend. In others he is peeling the skin from you face.

Then again either way it leaves you will a good story.
